

# PROCEDURE PRINTER INSTALLATION MAC

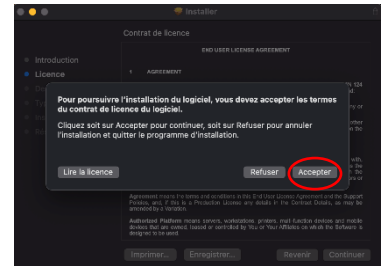

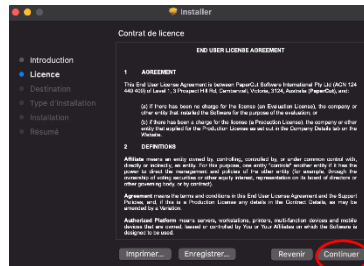

- 1) Click on the link below. Download then launch the .pkg file.

PARIS <http://printetuparis.sk.skema.edu:9163/setup>

LILLE <http://printetulille.sk.skema.edu:9163/setup>

SOPHIA <http://sv06imp01.sk.skema.edu:9163/setup>

- 2) Click on Continue, on Continue again. Then Accept the agreements.

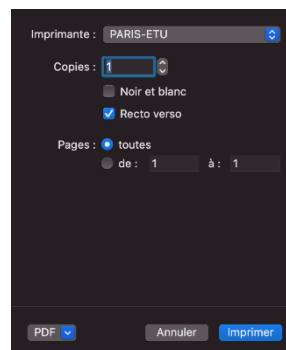

- 3) Click on Install then type your Mac **Admin Account** credentials to confirm the installation.

- 4) When you send a printing request, select in the Printer slot:

- PARIS-ETU** if you are in Paris
- LILLE-ETU** if you are in Lille
- SOPHIA-ETU** if you are in Sophia

Type your Skema credential  
(*example: firstname.lastname* and the Skema password).

- 5) You can now use any printer in the campus. Enter your PaperCut code (6 digit numbers you can find in your emails) into the authentication slot. Then, you can take your print out by clicking on Print All.
