PROCEDURE PRINTERS INSTALLATION WINDOWS

1) Click on the link below. Download and then launch the executable.
   PARIS **http://printetuparis.sk.skema.edu:9163/setup**
   LILLE **http://printetulille.sk.skema.edu:9163/setup**
   SOPHIA **http://sv06imp01.sk.skema.edu:9163/setup**

2) Choose your language then accept the agreement.

3) When you send a printing request, select in the Printer slot:
   -**PARIS-ETU** if you are in Paris
   -**LILLE-ETU** if you are in Lille
   -**SOPHIA-ETU** if you are in Sophia

4) Enter your Skema credential (underline : *firstname.lastname* then your Skema password). Click Next.

Click Finish to finalize the installation.

5) You can now use any printer in the campus. Enter your Papercut code (6 digit numbers you can find in your emails) into the authentication slot. Then, you can take your print out by clicking on Print All.
